From the Desk of the Dean

Phew. Iowa testing is done! Students did a great job this week staying focused and on task. We should be getting scores back soon. We are so proud of everyone and all the hard work they have done this year. In a few minutes, there's ice cream in the cafeteria as our final surprise during this taxing week. Hurray for the end of the tests! It's all downhill from here.

Another recent source of pride for us as a school was our Spring Showcase this past Friday. We had singing, dancing, artwork, and even instrumentals, all a part of a wonderful program that showed just how talented our students are. Thanks to everyone who was able to come. If you missed it, you should be able to find a video of the night archived on Facebook. Saint James has really become a center of performance this year, from our Christmas program to our Spring Showcase to our Living Rosary to our Living Stations of the Cross to our hallway poetry recitations. The future is bright for the performing arts at our school, with so much talent on board!

In other news, our lunchroom has received a huge upgrade: a new milk cooler. We would like to thank all the donors who bought Easter dinner rolls from our cafeteria. It will make everyone's lives much easier—and cleaner!—having the new fridge in place.

Thank you everyone for everything. The end is near. Let's FINISH STRONG!

- James

Tabitha Franklin, April 27

Brian Daugherty, April 27

Trevor Funk, April 28

—
*In the beginning was the Word,
and the Word was with God, and the
Word was God. He was in the beginning
with God. All things came to be through
him, and without him nothing came to be.
What came to be through him was life,
and this life was the light of the human
race; the light shines in the darkness, and
the darkness has not overcome it.*
