## From the Desk of the Dean

First and foremost I want to say a big “THANK YOU” to everyone for making our showing at last night’s Festival of Arts so successful. We had an amazing turnout for the poetry recitations, and I was so proud to see all of our beautiful artwork. Our 8th grade masterpieces were the very first thing visitors saw when they walked through the door at LeBlond. Talk about putting a good foot forward!

We had a special visit this week from Bishop Johnston. He was in town for a Mass at Cathedral and stopped by to see us afterward. We prayed a Chaplet of Divine Mercy together, and he had some very tender and inspiring words about the Church’s mission to help each and every person grow to be who God wants them to be.

The biggest talk around our school this week has been our baby chicks hatching! Mr. Bob got the incubators a few weeks ago, and we have all been patiently waiting. Every grade (*especially* PreK) has come by at least once to see and hold our cute new friends. If you have a Middle Schooler, be sure to ask him or her about all the scientific facts regarding chickens!

Thank you all so much for everything. Please keep us in your prayers as we work together with your children to FINISH STRONG this year. Only a bit more to go...

- James

—  
*Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes? Look at the birds of the air: They do not sow or reap or gather into barns—and yet your heavenly Father feeds them. Are you not much more valuable than they? (Matt 6:25-26)*
