From the Desk of the Dean

That list of upcoming dates on the right sure has gotten a lot shorter! It's a nice visual of the "almost there" energy running through our school. We are all so excited! It is also a good reminder of all the things we have done and accomplished recently, during the wild last few days of the year, with God's never ending assistance.

Last Friday we hosted all the Catholic Middle Schools in St. Joseph for a GLOW dance in our gym. Thank you to all the volunteers who came out to help set up, chaperone, and clean. The students all had a great time. Who doesn't love "One hope this time!"?

Another fixture this week was our annual Race for Education. We really appreciate all of your donations. The money raised will be used to purchase workbooks and other educational materials. Our students deserve the best, and you all work tirelessly to help make that happen.

This is also a time of parting. Anna and Marie finish their student teaching with us today in grades 2/3 and 4/5, respectively. They have been a great help to us and we really will miss them! There is a Cinco de Mayo-themed party in their honor today. I have really grown to appreciate over the past couple of months just how well the St. James community takes care of its people.
