## From the Principal

It's Grandparents' Day! I wanted to write the note this week for them, who will be visiting and picking up the newsletter before they leave today. Thank you so much, grandparents, for everything you have done and will continue to do for our students and community. It's one of my favorite parts of working at St. James to see the dedication and involvement of our students' grandparents.

I am reminded of a novena we prayed as a school last year, in honor of St. Joseph. We followed along prayers each day on our Facebook page. Day 4 was dedicated specifically to grandparents. I thought we all might enjoy looking back at the prayer from that day:

We pray today for the grandparents of our students, who have so tenderly set and nurtured the roots of their families. Through the intercession of Saint Joseph, Pillar of Families, may God inspire within them a deep movement toward their divine call, and may we all be given an ever more profound appreciation of all they have done for us.

*Send news and pictures of the great things your student does. We will feature them in an upcoming Tiger Newsletter.*

### From Our All School Mass...

In the Gospel this week we heard about an episode of Jesus healing many and various illnesses. In the homily, Father Bartulica explained that St. Luke's writings are quite historically accurate. Furthermore, not only did Jesus really heal all those people all that time ago, He continues to heal us through the Sacraments of His holy Church.
